Four for the malintended but "G. G. G." has in 1919, the "G. G. G." American war vessel sunk in Chesapeake Bay. Catholic can be related without difficulty. Captain Robert Carson, Midland, Ontario, reports.

A floating university on a liner which sails from New York in the month of April will carry 2000 students in the 10,000 mile tour of the world.

The British government has no intention of returning to the gold standard in the immediate future. Neville Chamberlain, Chancellor of the Exchequer, told parliament.

Plans for passenger air traffic between London and Paris were broken during the year just ended. The service was suspended on September 20, 1914, in 1920-21, the previous twelve months.

Trip Was Disappointing

Mystery Excursion Took Man Night
Black Hawk
Some of the harshest railroads are offering "mystery excursions" as they offer trips from England. They advertise the trip and the destination to a degree that is almost certain. They say even the engineer doesn't know where he is going until he gets started and then he orders. The Southern Railway with a mystery excursion out of Washington on a round trip. Early in the morning the train pulled out with five or six hundred passengers, very merry and expectant. In due time it wound up at Fry Springs, a suburb of Charleston, Virginia, about a hundred and twenty-five miles south of Washington. The train was empty during the day, there was swimming and hiking, and in the afternoon a big barbecue dinner. The trip was a success. The train was empty during the day, there was swimming and hiking, and in the afternoon a big barbecue dinner. The trip was a success. The train was empty during the day, there was swimming and hiking, and in the afternoon a big barbecue dinner. The trip was a success.

Not An Experiment
W. K. Kellogg says he desires to sell more of his package cereal, as he is going to spend an extra million dollars in advertising. What's more he will spend nearly all of it in newspapers. He isn't experimenting, but merely following the plan on which he built his business.

Fern gardens, made of either blocks, five to ten inches and size or 10 inches wide, are predicted for the future. Plants would grow in space between the blocks.

In a single car three brothers, fishing in the harbor of Cork, Ireland, were caught 500 fish, weighing 700 pounds.

Great Britain is about three times the size of Ireland.

The three of certain military value, better does not lie in water.

Teddy's leading radio telegraph and cable news have nearly 100,000 subscribers.

This Business Is New

British Columbian Bents His New Customers

"Pay-as-you-go" is the new policy upon which George McCort, busy-body poultry master, dispenses of hens. The great problem in the poultry business is to get the poultry master to pay for his hens. McCort has a solution.

McCort had a customer in Vancouver for exceptionally large. At current prices McCort would not supply a man with eggs and keep even with the feed man. He has the plan of selling the hens to the customer for a small sum, and then the customer has 100 hens in a rental barn.

"They do it with dress suits, radios, car batteries and all sorts of things, so why not with laying hens?" says Mr. McCort's comment on the deal.

The result is that the hens are sold to the customer for a small sum, and then the customer has 100 hens in a rental barn. The customer has to keep the hens for feed and housing. The man who rents the barn agrees to keep them in good health and to make good any loss he might lose through death or theft.
